

# Sour R

Liquid Neutralizer

Sour R is the liquid neutralizer which is used to neutralize the pH and to remove residual chlorine. This prevents yellowing of white fabrics and provides excellent brightness to linen.

## Using Instructions

- Add 3 - 4ml/kg to the second rinse
- Wash for 3-5 min to neutralize and remove residual chlorine from linen

Pack Size

5 L | 25 L

## Features and Benefits

- Maintain the correct pH in washed linen
- Removes all residual chlorine from linen
- Increase the brightness of linen
- Completely biodegradable
- Completely soluble in water
- Prevents chemical deposits in washed linen

## Safety Instructions

- Use gloves when handling the product
- Keep out of reach of children

## Active Ingredients

Optical Brightener | Neutralizers
