- Phytase 1000 IU
- Lipase 200 IU

Store in a cool, dry, ventilated place in its original container.
Avoid direct contact of sunlight and other chemicals

Multi Enzyme Feed Additive

This is a multi enzyme feed additive to provide comfort to the gut in poultry. This can be used to prevent poor growth, lower body weight, lower egg production and loose droppings. This gives additional enzymes to digest indigestible portions of feed ingredients.

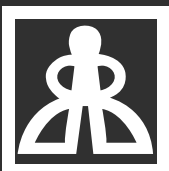

Dosage

- Layers : 250g in to 1 MT of feed
 - Broilers & Breeders : 250-500g in to 1 MT of feed
- Continuously or as advised by a Veterinarian

Packing

25 kg
